This is to inform the general public that all the draws of the Nagaland State Lotteries are conducted in strict conformity with the provisions of the Lotteries (Regulation) Act 1998 and Lotteries (Regulation) Rules, 2010.

The lotteries of the Government of Nagaland under the brand name “DEAR” has always been one of the most trusted and reliable compared to other lotteries in the market and we thank one and all who have trusted us all these days and made our lotteries very popular especially in the State of West Bengal. There is always a great demand for “DEAR” lotteries amongst the public as the Government and its Distributor have made it possible to reach the general public in a most transparent way.

In the recent past the Government of Nagaland came across many rumors from our Stockist/ Retailers and the public that the lotteries organized by the State of Nagaland will not be available in the market of West Bengal under the brand name “DEAR”. It is a pleasure to inform all concerned that the Government of Nagaland is still conducting and organizing the “DEAR” brand lotteries will be available in the market as usual without any break. Our Distributor M/s. Future Gaming and Hotel Services Private Limited are paying the GST @ 28% & the Draw Charges up to 31st December 2020 to the State of West Bengal through Agricultural Income Tax Department of Government of West Bengal to the Government of West Bengal and also other taxes or dues liable to be paid on Lotteries either to the Central or the State Government. Further, the entire process of the draws organized by the Government are LIVE Telecasted and available on Youtube anytime even after the winning numbers are announced.

The Government of Nagaland deny all the unsubstantiated allegations and rumors spread against the “DEAR” brand Lotteries and guarantee that the tickets will be available uninterrupted in the entire State of West Bengal. We, request the general people to be aware of some scrupulous people who are spreading the false rumors.
